Highness the Maharaja of Mysore

Revenue Department, Bangalore.

L.B. 122-15-3.

Sir

With reference to Government Order No.4719, L.B. 122-15-2 dated the 24th January 1917 stating that the ground rent of cooly colonies under the control of the Sanitary Board cannot be recovered under the law by distraint and sale of moveable property, and directing that sanction of Government may be applied for, to imposing the ground rent in question under Section 38(12) (b) of the Mysore Mines Regulation. I have the honour to submit herewith a copy of Resolution No.13 arrived at, by the Sanitary Board, at their meeting held on the 20th April 1917.

2. It is seen from the records that these ground rents are being collected from about the year 1902, in the cooly colonies under the control of the Sanitary Board, and the estimated income therefrom being on the average Rs.9000/- a year. This is included in the Budget Estimates of the Board and sanctioned by Government year after year.

3. The huts in these cooly colonies are mostly inhabited by a floating population who evade regular payments of the rents in spite of repeated requisitions by the Board's collecting Agency, with the result that arrears accumulate. To facilitate collection, it is quite necessary that there should be power to adopt coercive measures by distraint and sale of moveable properties.

4. I have the honour, therefore, to request that you will be so good as to obtain early sanction of Government to the recommendation of the Board for imposing the ground rent under section 35 (2) (b) of the Mysore Mines Regulation IV of 1906.

5. After the sanction of Government is accorded to the imposition of the ground rent under advertance, draft rules for the recovery of the rents will be submitted for the approval of Government.

I have the honour to be,

Sir,

Your most obedient servant,

For President,

Sanitary Board, K.G.F.
